

PLEASE READ THIS LETTER CAREFULLY. IT EXPLAINS THE IMPACT OF THE ACQUISITION ON YOUR RSP OPTIONS AND REQUIRES YOUR IMMEDIATE ATTENTION.

If you are in any doubt about the contents of this letter, or the action you should take, you are recommended to seek your own independent financial advice immediately from a stockbroker, bank manager, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended from time to time), if you are in the United Kingdom, or from another appropriately authorised independent financial adviser if you are in a territory outside the United Kingdom.

7 November 2022

Dear Participant

1. What is this letter about?

We are writing to explain how the acquisition of AVEVA Group PLC (**AVEVA**) by Ascot Acquisition Holdings Limited (**Bidco**) (the **Acquisition**) will affect your awards under the AVEVA Restricted Share Plan 2021 (the **2021 RSP**) and the AVEVA Senior Employee Restricted Share Plan 2015 (**2015 RSP**) (together, the **RSPs**) and the action it is proposed that you take.

Details of your outstanding awards under the RSPs are available on your Shareworks account.

SUMMARY OF PROPOSAL: Exercise your RSP Options and receive the Offer Price for the AVEVA Shares you acquire on exercise (the Proposal).

There are two alternatives under the Proposal as to when you exercise your RSP Options:

Choice A: Exercise your RSP Options on Court Sanction and receive the Offer Price for the AVEVA Shares you acquire on exercise.

Choice B: Exercise your RSP Options at the end of the one-month period after Court Sanction (for RSP Options held under the 2021 RSP) or on the Effective Date (for RSP Options held under the 2015 RSP) and receive the Offer Price for the AVEVA Shares you acquire on exercise. With Choice B, you will receive the proceeds of sale later than under Choice A.

You will need to take action to exercise your RSP Options. This will not happen automatically. You must complete the online exercise instruction on your Shareworks account as soon as possible, and by no later than 2 December 2022.

Further details about your choices are explained in section 4 below.

2. The Acquisition

The Acquisition is being implemented by way of a Court process, known as a scheme of arrangement (the **Scheme**). The Scheme is a procedure that requires both the approval of AVEVA Shareholders, which will be sought at shareholder meetings expected to be held on 17 November 2022, and sanction (i.e. approval) by the Court, which is currently expected to take place around Q1 2023 (**Court Sanction**). It is currently expected that the Scheme will then become effective a couple of days later (which is known as the **Effective Date** of the Scheme) and at this time AVEVA will be owned by Bidco.

AVEVA Shareholders will be entitled to receive the **Offer Price** (£31.00) in cash for each AVEVA Share they own at the Scheme Record Time.

The terms of the Acquisition are set out in full in the Scheme Document which is available on the AVEVA website at <https://investors.aveva.com/recommended-offer-for-AVEVA-group-plc/>.

3. How does the Acquisition affect my RSP Options?

The Acquisition will change the usual treatment of your RSP Options. As a result of the Acquisition, your RSP Options may vest early and become exercisable on Court Sanction (unless they vest or lapse earlier in accordance with the RSP Rules). Alternatively, if your RSP Options are already vested and exercisable, the period you have to exercise them may be shortened.

When you exercise your RSP Options, you will also receive an additional cash amount reflecting the value of dividends that would have been payable on the AVEVA Shares under your RSP Options during the vesting period.

If the Acquisition does not happen for any reason, your RSP Options will continue as normal (as notified to you upon the cessation of your employment), subject to the RSP Rules.

4. What are my choices?

You have the following choices in relation to your RSP Options that become exercisable as a result of the Acquisition:

Choice A: Apply now to exercise your RSP Options on Court Sanction.

You can elect to exercise your RSP Options on Court Sanction.

If you do this, your RSP Options will be exercised on Court Sanction and the AVEVA Shares you acquire will be automatically acquired by Bidco and you will receive £31.00 per AVEVA Share, less any required deductions (see Section 9) and any applicable exercise price.

If you want to select Choice A, please access your Shareworks account and complete an online exercise instruction as soon as possible and by no later than 2 December 2022.

Choice B: Apply now to exercise your RSP Options conditional on Court Sanction, at the end of the one-month period after Court Sanction (for RSP Options held under the 2021 RSP) or on the Effective Date (for RSP Options held under the 2015 RSP).

You can exercise your RSP Options in the one-month period after Court Sanction (for RSP Options held under the 2021 RSP) or between Court Sanction and the Effective Date (for RSP Options held under the 2015 RSP).

If you select **Choice B**, your RSP Options will be exercised at the end of the one-month period after Court Sanction (for RSP Options held under the 2021 RSP) or on the Effective Date (for RSP Options held under the 2015 RSP). The AVEVA Shares you acquire will be automatically acquired by Bidco and you will receive £31.00 per AVEVA Share, less any required deductions (see Section 9) and any applicable exercise price.

Please note that if you decide to exercise your RSP Options after Court Sanction, you will receive the money due to you at least one month later than under **Choice A**.

If you want to select Choice B, please access your Shareworks account and complete an online exercise instruction as soon as possible and by no later than 2 December 2022.

5. When will I receive the money?

If you select **Choice A**, the money will be paid to you in the first practicable payroll after the Acquisition completes and if you select **Choice B**, the money will be paid to you in the first practicable payroll after your exercise takes place (which may be at least one month later than the payments for Choice A are made).

In all cases the money will be converted into the currency in which your salary is paid and paid into your usual salary bank account via payroll.

6. What if the Acquisition does not complete?

If the Acquisition does not happen for any reason, your RSP Options will continue and vest on the normal vesting date or such other date as notified to you upon the cessation of your employment, and become exercisable subject to any condition imposed on the vesting of your RSP Options in accordance with the RSP Rules.

7. My RSP Options have already vested. Does that change anything?

If you hold Vested RSP Options, they are already exercisable and you can exercise them earlier than Court Sanction if you wish.

If you elect to exercise your Vested RSP Options before Court Sanction, a sufficient number of AVEVA Shares that you acquire on exercise of your Vested RSP Options will be sold on your behalf to cover taxes and any applicable fees and any applicable exercise prices.

You may either sell the balance of the AVEVA Shares immediately (and receive whatever sale price is achieved at that time) or decide to hold them until Court Sanction. The AVEVA Shares that you hold at Court Sanction will be acquired by Bidco under the Acquisition and you will receive £31.00 per AVEVA Share.

You can elect to exercise your Vested RSP Options before Court Sanction by completing an online exercise instruction on your Shareworks account in the usual way.

You should check the lapse date of any Vested RSP Options that you hold to make sure that they are not due to lapse before Court Sanction. If they are, an election for Choice A or Choice B will not be effective and you may lose any value from your RSP Options.

8. What happens if my RSP Option is due to lapse before Court Sanction?

If your RSP Options lapse before Court Sanction then the Acquisition will not change the lapse date. If your RSP Options are exercisable, then you should consider exercising them before they lapse. If your RSP Options lapse without having become exercisable (for example, because you resign), then the Acquisition will have no effect.

Nothing in this letter shall be taken to extend the life of an RSP Option that would lapse on or prior to Court Sanction in accordance with the RSP Rules.

9. What about tax?

General tax information on the impact of the Acquisition on your RSP Options is contained on Shareworks. Please note that this does not constitute tax advice and the tax treatment will depend on your particular individual circumstances.

10. What if I participate in other AVEVA share plans?

If you participate in other AVEVA share plans you will receive separate letters about the effect of the Acquisition on your other share awards or options. Please also read those letters carefully.

11. What if I have questions?

If you have any questions, please contact Shareworks using the helpline numbers below:

12. Proposals: Recommendation

The AVEVA Independent Committee, which has been so advised by Lazard & Co., Limited (**Lazard**), as to the financial terms of the Proposal, considers the terms of the Proposal described above to be fair and reasonable in the context of the Acquisition. In providing advice to the AVEVA Independent Committee, Lazard has taken into account the commercial assessments of the AVEVA Independent Committee. Lazard is providing independent financial advice to the AVEVA Independent Committee for the purposes of Rule 15 of the City Code on Takeovers and Mergers.
