

PLEASE READ THIS LETTER CAREFULLY. IT EXPLAINS THE IMPACT OF THE ACQUISITION ON YOUR DSBP OPTIONS AND REQUIRES YOUR IMMEDIATE ATTENTION.

If you are in any doubt about the contents of this letter, or the action you should take, you are recommended to seek your own independent financial advice immediately from a stockbroker, bank manager, accountant or other independent financial adviser authorised under the Financial Services and Markets Act 2000 (as amended from time to time), if you are in the United Kingdom, or from another appropriately authorised independent financial adviser if you are in a territory outside the United Kingdom.

7 November 2022

Dear Participant

1. What is this letter about?

We are writing to explain how the acquisition of AVEVA Group PLC (**AVEVA**) by Ascot Acquisition Holdings Limited (**Bidco**) (the **Acquisition**) will affect your awards under the AVEVA Deferred Share Bonus Plan (the **DSBP**) and the action it is proposed that you take.

Details of your outstanding awards under the DSBP are available on your Shareworks account.

SUMMARY OF PROPOSAL: Exercise your DSBP Options and receive the Offer Price for the AVEVA Shares you acquire on exercise (the Proposal).

There are two alternatives under the Proposal as to when you exercise your DSBP Options:

Choice A: Exercise your DSBP Options on Court Sanction and receive the Offer Price for the AVEVA Shares you acquire on exercise.

Choice B: Exercise your DSBP Options on the Effective Date and receive the Offer Price for the AVEVA Shares you acquire on exercise. With Choice B, you will receive the proceeds of sale later than under Choice A.

You will need to take action to exercise your DSBP Options. This will not happen automatically. You must complete the online exercise instruction on your Shareworks account as soon as possible, and by no later than 2 December 2022.

Further details about your choices are explained in section 4 below.

2. The Acquisition

The Acquisition is being implemented by way of a Court process, known as a scheme of arrangement (the **Scheme**). The Scheme is a procedure that requires both the approval of AVEVA Shareholders, which will be sought at shareholder meetings expected to be held on 17 November 2022, and sanction (i.e. approval) by the Court, which is currently expected to take place around Q1 2023 (**Court Sanction**). It is currently expected that the Scheme will then become effective a couple of days later (which is known as the **Effective Date** of the Scheme) and at this time AVEVA will be owned by Bidco.

AVEVA Shareholders will be entitled to receive the **Offer Price** (£31.00) in cash for each AVEVA Share they own at the Scheme Record Time.

The terms of the Acquisition are set out in full in the Scheme Document which is available on the AVEVA website at <https://investors.aveva.com/recommended-offer-for-AVEVA-group-plc/>.

3. How does the Acquisition affect my DSBP Options?

The Acquisition will change the usual treatment of your DSBP Options. As a result of the Acquisition, your DSBP Options will vest early in full and become exercisable on Court Sanction (unless they vest or lapse earlier in accordance with the DSBP Rules).

When you exercise your DSBP Options, you will also receive additional AVEVA Shares reflecting the value of dividends that would have been payable on the AVEVA Shares under your DSBP Options during the vesting period.

4. What are my choices?

You have the following choices in relation to your DSBP Options that become exercisable as a result of the Acquisition:

Choice A: Apply now to exercise your DSBP Options on Court Sanction.

You can elect to exercise your DSBP Options on Court Sanction.

If you do this, your DSBP Options will be exercised on Court Sanction and the AVEVA Shares you acquire will be automatically acquired by Bidco and you will receive £31.00 per AVEVA Share, less any required deductions (see Section 11).

If you want to select Choice A, please access your Shareworks account and complete an online exercise instruction as soon as possible and by no later than 2 December 2022.

Choice B: Apply now to exercise your DSBP Options conditional on Court Sanction, on the Effective Date.

You can exercise your DSBP Options between Court Sanction and the Effective Date.

If you select **Choice B**, your DSBP Options will be exercised on the Effective Date. The AVEVA Shares you acquire will be automatically acquired by Bidco and you will receive £31.00 per AVEVA Share, less any required deductions (see Section 11).

Please note that if you decide to exercise your DSBP Options after Court Sanction, you will receive the money due to you later than under **Choice A**.

If you want to select Choice B, please access your Shareworks account and complete an online exercise instruction as soon as possible and by no later than 2 December 2022.

5. When will I receive the money?

If you select **Choice A**, the money will be paid to you in the first practicable payroll after the Acquisition completes and if you select **Choice B**, the money will be paid to you in the first practicable payroll after your exercise takes place (which may be later than the payments for Choice A are made).

In all cases the money will be converted into the currency in which your salary is paid and paid into your usual salary bank account via payroll.

6. What if the Acquisition does not complete?

If the Acquisition does not happen for any reason, your DSBP Options will continue as normal, subject to the DSBP Rules.

7. My DSBP Options have already vested. Does that change anything?

If you hold Vested DSBP Options, they are already exercisable and you can exercise them earlier than Court Sanction if you wish.

If you elect to exercise your Vested DSBP Options before Court Sanction, a sufficient number of AVEVA Shares that you acquire on exercise of your Vested DSBP Options will be sold on your behalf to cover taxes and any applicable fees.

You may either sell the balance of the AVEVA Shares immediately (and receive whatever sale price is achieved at that time) or decide to hold them until Court Sanction. The AVEVA Shares that you hold at Court Sanction will be acquired by Bidco under the Acquisition and you will receive £31.00 per AVEVA Share.

You can elect to exercise your Vested DSBP Options before Court Sanction by completing an online exercise instruction on your Shareworks account in the usual way.

You should check the lapse date of any Vested DSBP Options that you hold to make sure that they are not due to lapse before Court Sanction. If they are, an election for Choice A or Choice B will not be effective and you may lose any value from your DSBP Options.

8. What happens if my DSBP Option is due to lapse before Court Sanction?

If your DSBP Options lapse before Court Sanction then the Acquisition will not change the lapse date. If your DSBP Options are exercisable, then you should consider exercising them before they lapse. If your DSBP Options lapse without having become exercisable (for example, because you resign), then the Acquisition will have no effect.

Nothing in this letter shall be taken to extend the life of an DSBP Option that would lapse on or prior to Court Sanction in accordance with the DSBP Rules.

9. What happens if I leave employment with the AVEVA Group?

If you leave employment with the AVEVA Group before the Court Sanction, the leaver provisions under the DSBP Rules will apply in the normal way. This means that, unless the AVEVA Remuneration Committee determines otherwise:

- if you leave as a result of death, your Unvested DSBP Options will vest in full on the normal vesting date (or on Court Sanction, if earlier) and will be exercisable (i) for 12 months after the date of death; or (ii) until the Effective Date, if earlier than (i), and any DSBP Options that are not exercised within this timeframe will lapse immediately;
- if you leave for a “good leaver” reason (for example due to redundancy, injury or disability), your Unvested DSBP Options will cease to be capable of vesting and shall lapse within 30 days, unless the Remuneration Committee determines otherwise, in which case the DSBP Options should vest in full on the normal vesting date (or on Court Sanction, if earlier) and will be exercisable (i) for six months after the date of vesting; or (ii) until the Effective Date, if earlier than (i), and any DSBP Options that are not so exercised will lapse at the end of this period; or

- if you leave as a result of death or for a “good leaver” reason (for example due to redundancy, injury or disability), your Vested DSBP Options will lapse upon the cessation of service, unless the Remuneration Committee determines otherwise, in which case will be exercisable (i) for six months after the date that you leave or for 12 months after the date of death (as applicable); or (ii) the Effective Date, if earlier than (i), and any Vested DSBP Options that are not exercised within this timeframe will lapse immediately; or
- if you leave for a reason other than a “good leaver” reason, your DSBP Options will lapse.

Please note that if you leave the AVEVA Group before Court Sanction and your DSBP Options lapse before Court Sanction as a result of your departure, any **Choice A** or **Choice B** instruction you make will not take effect. You will not receive any money for DSBP Options that lapse.

10. What if I am a PDMR or an insider?

If the AVEVA Dealing Code Policy (**Dealing Code**) applies to you, you must obtain permission to exercise your DSBP Options before you submit any instruction. You can seek permission to deal by following the process set out in the Dealing Code.

11. What about tax?

General tax information on the impact of the Acquisition on your DSBP Options is contained on ShareWorks and/or your document folder on SharePoint. Please note that this does not constitute tax advice and the tax treatment will depend on your particular individual circumstances.

12. What if I participate in other AVEVA share plans?

If you participate in other AVEVA share plans you will receive separate letters about the effect of the Acquisition on your other share awards or options. Please also read those letters carefully.

The AVEVA Independent Committee, which has been so advised by Lazard & Co., Limited (**Lazard**), as to the financial terms of the Proposal, considers the terms of the Proposal described above to be fair and reasonable in the context of the Acquisition. In providing advice to the AVEVA Independent Committee, Lazard has taken into account the commercial assessments of the AVEVA Independent Committee. Lazard is providing independent financial advice to the AVEVA Independent Committee for the purposes of Rule 15 of the City Code on Takeovers and Mergers.
